National Tracking Poll \#210536
May 07-11, 2021
Crosstabulation Results

Methodology:
This poll was conducted between May 7-May 11, 2021 among a sample of 2200 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on gender, educational attainment, age, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

## Table Index

1 Table EC1_1: Do you feel things in K-12 Education are generally going in the right direction, or do you feel things have generally gotten off on the wrong track? Nationwide

2 Table EC1_2: Do you feel things in K-12 Education are generally going in the right direction, or do you feel things have generally gotten off on the wrong track? In your state

3 Table EC1_3: Do you feel things in K-12 Education are generally going in the right direction, or do you feel things have generally gotten off on the wrong track? In your local school district

4 Table EC2a_1: What do you believe should be the main purpose of education during Kindergarten through 8th grade? In your opinion, how important is it for students to learn... Skills for future employment18

5 Table EC2a_2: What do you believe should be the main purpose of education during Kindergarten through 8th grade? In your opinion, how important is it for students to learn... To fix social problems

6 Table EC2a_3: What do you believe should be the main purpose of education during Kindergarten through 8th grade? In your opinion, how important is it for students to learn... Values, moral character, or religious virtues22

7 Table EC2a_4: What do you believe should be the main purpose of education during Kinder
garten through 8th grade? In your opinion, how important is it for students to learn... How to
be good citizens ..... 24

8 Table EC2a_5: What do you believe should be the main purpose of education during Kindergarten through 8th grade? In your opinion, how important is it for students to learn... To become independent thinkers

9 Table EC2a_6: What do you believe should be the main purpose of education during Kindergarten through 8th grade? In your opinion, how important is it for students to learn... How to interact with others (socialization)28

10 Table EC2a_7: What do you believe should be the main purpose of education during Kindergarten through 8th grade? In your opinion, how important is it for students to learn... Core academic subjects (e.g. reading, math, science)

11 Table EC2b_1: What do you believe should be the main purpose of education during High School (9th through 12th grade)? In your opinion, how important is it for students to learn... Skills for future employment

12 Table EC2b_2: What do you believe should be the main purpose of education during High School (9th through 12th grade)? In your opinion, how important is it for students to learn... To fix social problems

13 Table EC2b_3: What do you believe should be the main purpose of education during High School (9th through 12th grade)? In your opinion, how important is it for students to learn... Values, moral character, or religious virtues

14 Table EC2b_4: What do you believe should be the main purpose of education during High School (9th through 12th grade)? In your opinion, how important is it for students to learn... How to be good citizens

15 Table EC2b_5: What do you believe should be the main purpose of education during High School (9th through 12th grade)? In your opinion, how important is it for students to learn... To become independent thinkers

16 Table EC2b_6: What do you believe should be the main purpose of education during High School (9th through 12th grade)? In your opinion, how important is it for students to learn... How to interact with others (socialization)

17 Table EC2b_7: What do you believe should be the main purpose of education during High School (9th through 12th grade)? In your opinion, how important is it for students to learn... Core academic subjects (e.g. reading, math, science)44

18 Table EC5_1: How much, if at all, do you trust the following to make good decisions about
education? Parents ..... 46

19 Table EC5_2: How much, if at all, do you trust the following to make good decisions about
education? Teachers

20 Table EC5_3: How much, if at all, do you trust the following to make good decisions about education? School Principals
21 Table EC5_4: How much, if at all, do you trust the following to make good decisions about education? School District Superintendents ..... 52

22 Table EC5_5: How much, if at all, do you trust the following to make good decisions about
education? School Boards ..... 54

23 Table EC5_6: How much, if at all, do you trust the following to make good decisions about
education? State Legislature and/or Governor
24 Table EC5_7: How much, if at all, do you trust the following to make good decisions about education? State Department of Education ..... 58
25 Table EC5_8: How much, if at all, do you trust the following to make good decisions about education? U.S. Department of Education ..... 60

26 Table EC6a_1NET: What types of schools have any of your children been enrolled in for at least one full school year? Please select all that apply. Public Charter School (often called 'Charter School')62

27 Table EC6a_2NET: What types of schools have any of your children been enrolled in for at
least one full school year? Please select all that apply. Home School ..... 64

28 Table EC6a_3NET: What types of schools have any of your children been enrolled in for at least one full school year? Please select all that apply. Private School - Religious, Parochial . .

29 Table EC6a_4NET: What types of schools have any of your children been enrolled in for at least one full school year? Please select all that apply. Private School - Non-religious, Secular

30 Table EC6a_5NET: What types of schools have any of your children been enrolled in for at least one full school year? Please select all that apply. Public District School - Inside your school district

31 Table EC6a_6NET: What types of schools have any of your children been enrolled in for at least one full school year? Please select all that apply. Public District School - Outside of your school district

32 Table EC6a_7NET: What types of schools have any of your children been enrolled in for at least one full school year? Please select all that apply. None of these

33 Table EC7_1: To what extent are you satisfied or dissatisfied with your child's/children's experiences with the following types of schooling? Public Charter School (often called 'Charter School')

34 Table EC7_2: To what extent are you satisfied or dissatisfied with your child's/children's experiences with the following types of schooling? Home School

35 Table EC7_3: To what extent are you satisfied or dissatisfied with your child's/children's experiences with the following types of schooling? Private School - Religious, Parochial

36 Table EC7_4: To what extent are you satisfied or dissatisfied with your child's/children's experiences with the following types of schooling? Private School - Non-religious, Secular

37 Table EC7_5: To what extent are you satisfied or dissatisfied with your child's/children's experiences with the following types of schooling? Public District School - Inside your school district

38 Table EC7_6: To what extent are you satisfied or dissatisfied with your child's/children's experiences with the following types of schooling? Public District School - Outside of your school district

39 Table EC9a: Do you believe public school funding in STATE is: . . . . . . . . . . . . . . . . 83
40 Table EC9b: On average, STATE spends SPEND per student attending public school each year. Do you believe public school funding is

42 Table EC12: Charter schools are public schools that have more control over their own budget, staff, and curriculum, and are exempt from many existing public school regulations. In general, what is your opinion of public charter schools?
43 Table EC13: Based on what you know, or have heard from others In general, what is your opinion of 'school vouchers' in K-12 education?
44 Table EC14: A school voucher system allows parents the option of sending their child to the school of their choice, whether that school is public or private, including both religious and non-religious schools. If this policy were adopted, tax dollars currently allocated to a school district would be allocated to parents in the form of a 'school voucher' to pay partial or full tuition for the child"s school. In general, what is your opinion of school voucher systems? . . . 93

45 Table EC15: Based on what you know, or have heard from others In general, what is your opinion of 'education savings accounts' in K-12 education?

46 Table EC16: An "education savings account" in K-12 education - often called an ESA - establishes for parents a government-authorized savings account with restricted, but multiple uses for educational purposes. Parents can then use these funds to pay for: school tuition; tutoring; online education programs; therapies for students with special needs; textbooks or other instructional materials; or save for future college expenses. In general, what is your opinion of an ESA system?

47 Table EC17: All public schools and most private schools give their students standardized tests during the school year. When thinking about students preparing for and taking these tests, in general, do you believe the amount of time spent on standardized testing in American Schools is:

48 Table EC19a: Do you think that public school teacher salaries in your state should: increase, decrease, or stay about the same?

49 Table EC19b: On average, public school teachers in STATE are paid an average annual salary of SALARY AMOUNT Do you think that public school teacher salaries in your state should: increase, decrease, or stay about the same?

50 Table EC21a: If given the option, what type of school would you select in order to obtain the best education for your child?

51 Table EC21b: If given the option, and neither financial costs nor transportation were factors, what type of school would you select in order to obtain the best education for your child?

52 Table EC22_1: How disruptive has the coronavirus (also called COVID-19) been on each of the following? Your personal routine

53 Table EC22_2: How disruptive has the coronavirus (also called COVID-19) been on each of the following? Your family/household routine

54 Table EC22_3: How disruptive has the coronavirus (also called COVID-19) been on each of the following? Your community

55 Table EC26: How have your opinions on homeschooling changed as a result of the coronavirus? 115
56 Table EC27a_1: Based on what you have seen, read, or heard so far, how would you rate the following institutions on their response to the coronavirus (COVID-19) outbreak? Schools

57 Table EC27a_2: Based on what you have seen, read, or heard so far, how would you rate the following institutions on their response to the coronavirus (COVID-19) outbreak? School districts

58 Table EC27a_3: Based on what you have seen, read, or heard so far, how would you rate the following institutions on their response to the coronavirus (COVID-19) outbreak? Local government (town, city, county)

59 Table EC27a_4: Based on what you have seen, read, or heard so far, how would you rate the following institutions on their response to the coronavirus (COVID-19) outbreak? State government

60 Table EC27a_5: Based on what you have seen, read, or heard so far, how would you rate the following institutions on their response to the coronavirus (COVID-19) outbreak? Federal government

61 Table EC27a_6: Based on what you have seen, read, or heard so far, how would you rate the following institutions on their response to the coronavirus (COVID-19) outbreak? Local, small businesses

62 Table EC27a_7: Based on what you have seen, read, or heard so far, how would you rate the following institutions on their response to the coronavirus (COVID-19) outbreak? National, multi-national corporations129

63 Table EC27a_8: Based on what you have seen, read, or heard so far, how would you rate the following institutions on their response to the coronavirus (COVID-19) outbreak? Local news media/organizations (television, radio, print, online)

64 Table EC27a_9: Based on what you have seen, read, or heard so far, how would you rate the following institutions on their response to the coronavirus (COVID-19) outbreak? National news media organizations (television, radio, print, online)

65 Table EC29: Based on what you have seen, read, or heard about the coronavirus (COVID-19) outbreak so far, how comfortable are you with your child/children returning to school right now? 135

66 Table EC42a: Do you think schools should offer only one approach to educating K-12 students
in the fall or provide multiple learning options? . . . . . . . . . . . . . . . . . . . . . . . . 137
67 Table EC46_1: How do you feel your child/children is/are progressing on the following this
school year? Academic learning . . . . . . . . . . . . . . . . . . . . . . . . . . . . 139
68 Table EC46_2: How do you feel your child/children is/are progressing on the following this
school year? Social development/well-being . . . . . . . . . . . . . . . . . . . . . . . . . . 141
69 Table EC46_3: How do you feel your child/children is/are progressing on the following this
school year? Emotional development/well-being . . . . . . . . . . . . . . . . . . . . . . . . 143
70 Table EC50: As a result of the coronavirus pandemic, are you currently participating in a
'pod' with other families? . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . 145
71 Table EC55f: When do you expect the coronavirus outbreak to be controlled enough that it
will be safe to send children to school for in-person classes in your community? . . . . . . . . 146
72 Table EC57a: You said you're currently participating in a 'pod', is that? . . . . . . . . . . . 148
73 Table EC57b: You said you're looking to form a 'pod', would that be? . . . . . . . . . . . . 149
74 Table EC62e: After the pandemic, if given the option, to what extent would you prefer schooling to be scheduled each week at home with a parent or tutor to provide the best education for your child?

75 Table EC64: An Individualized Education Program (IEP) is a written plan developed by a team of parents and staff for a student that requires special services in a public school. To be enrolled in an IEP a student must have a physical, learning, or social/emotional disability.How many of your children, if any, are receiving services provided by your school or school district through an Individualized Education Program (IEP), or a similar special services plan?

76 Table EC65: Has a health or education professional told you that any of your children have a physical, learning or social/emotional disability?

77 Table EC66a: When an FDA (Food and Drug Administration) approved vaccine to prevent COVID-19 is available for you, would you agree to be vaccinated?

78 Table EC67a: When an FDA (Food and Drug Administration) approved vaccine to prevent COVID-19 is available for your child, would you agree to have your child/children vaccinated?156

79 Table EC72_1: Based on what you have seen, read, or heard about the coronavirus (COVID19) outbreak so far, how much do you approve or disapprove of the way teachers unions have influenced closings/re-openings of schools? The local teachers union157

80 Table EC72_2: Based on what you have seen, read, or heard about the coronavirus (COVID19) outbreak so far, how much do you approve or disapprove of the way teachers unions have influenced closings/re-openings of schools? National teachers unions159

81 Table EC73_1: And, how much do you approve or disapprove of the way public officials have influenced closings/re-openings of schools? Your local school board

82 Table EC73_2: And, how much do you approve or disapprove of the way public officials have
influenced closings/re-openings of schools? State public health officials . . . . . . . . . . . . 163
83 Table EC73_3: And, how much do you approve or disapprove of the way public officials have influenced closings/re-openings of schools? Your state's governor

84 Table EC73_4: And, how much do you approve or disapprove of the way public officials have influenced closings/re-openings of schools? The President Biden Administration

85 Table EC74: Is your child getting tutoring outside of regular school hours this school year ? . 169
86 Table EC80_1: How much do you support or oppose each of the following as it relates to K-12 standardized testing this year? Schools administering standardized tests this spring

87 Table EC80_2: How much do you support or oppose each of the following as it relates to K-12 standardized testing this year? Shortening standardized tests

88 Table EC80_3: How much do you support or oppose each of the following as it relates to K-12 standardized testing this year? Extending the testing window

89 Table EC80_4: How much do you support or oppose each of the following as it relates to K-12 standardized testing this year? Remote administration of standardized tests

90 Table EC80_5: How much do you support or oppose each of the following as it relates to K-12 standardized testing this year? Holding individual schools accountable for test results

91 Table EC80_6: How much do you support or oppose each of the following as it relates to K-12 standardized testing this year? Holding school districts accountable for test results

92 Table EC80_7: How much do you support or oppose each of the following as it relates to K-12 standardized testing this year? Providing parents/guardians test results of their child/children

93 Table EC81a_1: How helpful do you think each of the following will be in helping your child/children next school year following the COVID-19 outbreak? Individualized learning plans for your child/children based on their needs

94 Table EC81a_2: How helpful do you think each of the following will be in helping your child/children next school year following the COVID-19 outbreak? Providing your child/children with laptops or tablets

95 Table EC81a_3: How helpful do you think each of the following will be in helping your child/children next school year following the COVID-19 outbreak? Providing your child/children with high-speed internet

96 Table EC81a_4: How helpful do you think each of the following will be in helping your child/children next school year following the COVID-19 outbreak? Offering additional afterschool tutoring programs

97 Table EC81a_5: How helpful do you think each of the following will be in helping your child/children next school year following the COVID-19 outbreak? Additional summer school offerings

98 Table EC81a_6: How helpful do you think each of the following will be in helping your child/children next school year following the COVID-19 outbreak? Longer school days to provide more time for instruction

99 Table EC81a_7: How helpful do you think each of the following will be in helping your child/children next school year following the COVID-19 outbreak? Offering additional counseling or mental health support your child/children and school staff .

100 Table EC81a_8: How helpful do you think each of the following will be in helping your child/children next school year following the COVID-19 outbreak? Allowing you the option of having your child/children repeat a grade level if needed199

101 Table EC81a_9: How helpful do you think each of the following will be in helping your child/children next school year following the COVID-19 outbreak? Offering additional school days on the weekend to provide more time for instruction

102 Table EC81b_1: How helpful do you think each of the following will be in helping students next year following the COVID-19 outbreak? Individualized learning plans for each student based on their needs

103 Table EC81b_3: How helpful do you think each of the following will be in helping students next year following the COVID-19 outbreak? Providing all students with high-speed internet

104 Table EC81b_4: How helpful do you think each of the following will be in helping students next year following the COVID-19 outbreak? Offering additional afterschool tutoring programs 207
105 Table EC81b_5: How helpful do you think each of the following will be in helping students next year following the COVID-19 outbreak? Additional summer school offerings ..... 209
106 Table EC81b_6: How helpful do you think each of the following will be in helping students next year following the COVID-19 outbreak? Longer school days to provide more time for instruction ..... 211
107 Table EC81b_8: How helpful do you think each of the following will be in helping students next year following the COVID-19 outbreak? Allowing parents the option of having their child repeat a grade level if needed ..... 213
108 Table EC81b_9: How helpful do you think each of the following will be in helping students next year following the COVID-19 outbreak? Offering additional school days on the weekend to provide more time for instruction ..... 215
109 Table EC82_1: Thinking about this upcoming summer how comfortable are you with your child participating in each of the following activies? Enrolling your child in summer school classes ..... 217
110 Table EC82_2: Thinking about this upcoming summer how comfortable are you with your child participating in each of the following activies? Signing your child up for tutoring ..... 219
111 Table EC82_3: Thinking about this upcoming summer how comfortable are you with your child participating in each of the following activies? Having your child join a learning 'pod' ..... 221
112 Table EC82_4: Thinking about this upcoming summer how comfortable are you with your child participating in each of the following activies? Enrolling your child in a sports league . ..... 223
113 Table EC82_5: Thinking about this upcoming summer how comfortable are you with your child participating in each of the following activies? Signing your child up for summer camp ..... 225
114 Table EC82_6: Thinking about this upcoming summer how comfortable are you with your child participating in each of the following activies? Taking a trip/vacation ..... 227
115 Table EC82_7: Thinking about this upcoming summer how comfortable are you with your child participating in each of the following activies? Socializing with family/friends ..... 229
116 Table EC82_8: Thinking about this upcoming summer how comfortable are you with your child participating in each of the following activies? Going to a live event (sports game, concert, etc.) ..... 231
117 Table EC83_1NET: Do you plan on doing any of the following this upcoming summer? En- rolling your child in summer school classes ..... 233
118 Table EC83_2NET: Do you plan on doing any of the following this upcoming summer? Sign- ing your child up for tutoring ..... 234
119 Table EC83_3NET: Do you plan on doing any of the following this upcoming summer? Hav- ing your child join a learning 'pod' ..... 235
120 Table EC83_4NET: Do you plan on doing any of the following this upcoming summer? En- rolling your child in a sports league ..... 236
121 Table EC83_5NET: Do you plan on doing any of the following this upcoming summer? Sign- ing your child up for summer camp ..... 237
122 Table EC83_6NET: Do you plan on doing any of the following this upcoming summer? Taking a trip/vacation ..... 238
123 Table EC83_7NET: Do you plan on doing any of the following this upcoming summer? So- cializing with family/friends ..... 239
124 Table EC83_8NET: Do you plan on doing any of the following this upcoming summer? Going to a live event (sports game, concert, etc.) ..... 240
125 Table EC83_9NET: Do you plan on doing any of the following this upcoming summer? Other ..... 241
126 Table EC83_10NET: Do you plan on doing any of the following this upcoming summer? None of the above ..... 242
127 Table EC84a: As part of the American Jobs Plan, The Biden administration is proposing spending $\$ 100$ billion to upgrade and build new public schools. Do you support or oppose this initiative? ..... 243
128 Table EC84b: As part of the American Jobs Plan, The Biden administration is proposing spending $\$ 100$ billion to upgrade and build new public schools, in addition to about $\$ 180$ billion in federal spending already allocated to public education as a part of three coronavirus relief packages. Do you support or oppose this initiative? ..... 245
129 Table ECdem1: Would you consider where you live to be. ..... 247
130 Table ECdem3_1NET: Are you the parent or guardian of a child? Select all that apply Parent of a child under 18 living in your household ..... 249
131 Table ECdem3_2NET: Are you the parent or guardian of a child? Select all that apply Parent of a child under 18 not living in your household ..... 251
132 Table ECdem3_3NET: Are you the parent or guardian of a child? Select all that apply Parent of a child over 18 ..... 253
133 Table ECdem3_4NET: Are you the parent or guardian of a child? Select all that apply I am not a parent ..... 255
134 Table ECdem4: Are any of the children in your household enrolled in school from kinder- garten through high school? ..... 257
135 Table ECdem6: Are you, or is your spouse/partner, a member of a labor union? ..... 259
136 Table ECdem7: How many children in your household are enrolled in school from kinder- garten through high school? ..... 261
137 Table EC63: What would you be able and willing to spend, on a monthly basis, to participate in a single learning pod per child? ..... 262
138 Table EC79: What would you be able and willing to spend, on a monthly basis, per child for tutoring outside of school hours? \$ ..... 263

Table EC16: An "education savings account" in K-12 education - often called an ESA - establishes for parents a government-authorized savings account with restricted, but multiple uses for educational purposes. Parents can then use these funds to pay for: school tuition; tutoring; online education programs; therapies for students with special needs; textbooks or other instructional materials; or save for future college expenses. In general, what is your opinion of an ESA system?
