

National Tracking Poll #2203072
March 12-24, 2022

Crosstabulation Results

Methodology:

This poll was conducted between March 12-March 24, 2022 among a sample of 1030 High School Parents. The interviews were conducted online. Results from the full survey have a margin of error of plus or minus 3 percentage points.

Table Index

1	Table EDCH1: <i>How much of a say did your oldest child have in the type of high school they are attending this current school year?</i>	12
2	Table EDCH2_1: <i>What do you believe should be the main purpose of education during High School (9th through 12th grade)? In your opinion, how important is it for students to learn Skills for future employment</i>	14
3	Table EDCH2_2: <i>What do you believe should be the main purpose of education during High School (9th through 12th grade)? In your opinion, how important is it for students to learn To fix social problems (homelessness, hunger, etc.)</i>	16
4	Table EDCH2_3: <i>What do you believe should be the main purpose of education during High School (9th through 12th grade)? In your opinion, how important is it for students to learn Values or morals</i>	18
5	Table EDCH2_4: <i>What do you believe should be the main purpose of education during High School (9th through 12th grade)? In your opinion, how important is it for students to learn How to be good citizens</i>	20
6	Table EDCH2_5: <i>What do you believe should be the main purpose of education during High School (9th through 12th grade)? In your opinion, how important is it for students to learn To become independent thinkers</i>	22
7	Table EDCH2_6: <i>What do you believe should be the main purpose of education during High School (9th through 12th grade)? In your opinion, how important is it for students to learn How to interact with others</i>	24
8	Table EDCH2_7: <i>What do you believe should be the main purpose of education during High School (9th through 12th grade)? In your opinion, how important is it for students to learn Core academic subjects (e.g. reading, math, science)</i>	26
9	Table EDCH3_1: <i>Since the coronavirus (COVID-19) pandemic started in March of 2020, how have each of the following changed for you? Select one per row. Stress</i>	28
10	Table EDCH3_2: <i>Since the coronavirus (COVID-19) pandemic started in March of 2020, how have each of the following changed for you? Select one per row. Anxiety</i>	31
11	Table EDCH3_3: <i>Since the coronavirus (COVID-19) pandemic started in March of 2020, how have each of the following changed for you? Select one per row. Happiness</i>	34
12	Table EDCH3_4: <i>Since the coronavirus (COVID-19) pandemic started in March of 2020, how have each of the following changed for you? Select one per row. Personal mental health</i> .	37
13	Table EDCH3_5: <i>Since the coronavirus (COVID-19) pandemic started in March of 2020, how have each of the following changed for you? Select one per row. Personal physical health</i>	40
14	Table EDCH3_6: <i>Since the coronavirus (COVID-19) pandemic started in March of 2020, how have each of the following changed for you? Select one per row. Family's financial situation</i>	43

15	Table EDCH3_7: Since the coronavirus (COVID-19) pandemic started in March of 2020, how have each of the following changed for you? Select one per row. Motivation	46
16	Table EDCH3_8: Since the coronavirus (COVID-19) pandemic started in March of 2020, how have each of the following changed for you? Select one per row. Relationships with immediate family	49
17	Table EDCH3_9: Since the coronavirus (COVID-19) pandemic started in March of 2020, how have each of the following changed for you? Select one per row. Relationships with closest friends	52
18	Table EDCH4: Do you believe your relationship with your child has become stronger, weaker, or stayed the same as a result of the pandemic?	55
19	Table EDCH6a_1: Of the following, which have you observed or experienced relating to your child's high school in the past week? A teacher has shared her/his political opinions with your child	57
20	Table EDCH6a_2: Of the following, which have you observed or experienced relating to your child's high school in the past week? A teacher has shared her/his opinions on LGBTQ issues with your child	59
21	Table EDCH6a_3: Of the following, which have you observed or experienced relating to your child's high school in the past week? A teacher has shared her/his opinions on race with your child	61
22	Table EDCH6a_4: Of the following, which have you observed or experienced relating to your child's high school in the past week? A teacher has shared her/his opinions on religion with your child	63
23	Table EDCH6a_5: Of the following, which have you observed or experienced relating to your child's high school in the past week? A teacher has shared her/his opinions on masking with your child	65
24	Table EDCH6a_6: Of the following, which have you observed or experienced relating to your child's high school in the past week? A teacher has shared her/his opinions on vaccinations with your child	67
25	Table EDCH6a_7: Of the following, which have you observed or experienced relating to your child's high school in the past week? School or district communications sharing political opinions	69
26	Table EDCH6a_8: Of the following, which have you observed or experienced relating to your child's high school in the past week? School or district communications sharing opinions on LGBTQ issues	71
27	Table EDCH6a_9: Of the following, which have you observed or experienced relating to your child's high school in the past week? School or district communications sharing opinions on race	73
28	Table EDCH6a_10: Of the following, which have you observed or experienced relating to your child's high school in the past week? School or district communications sharing opinions on religion	75

29	Table EDCH6a_11: <i>Of the following, which have you observed or experienced relating to your child's high school in the past week? School or district communications sharing opinions masking</i>	77
30	Table EDCH6a_12: <i>Of the following, which have you observed or experienced relating to your child's high school in the past week? School or district communications sharing opinions on vaccinations</i>	79
31	Table EDCH6b_1: <i>Of the following, which have you observed or experienced relating to your child's high school in the past month? A teacher has shared her/his political opinions with your child</i>	81
32	Table EDCH6b_2: <i>Of the following, which have you observed or experienced relating to your child's high school in the past month? A teacher has shared her/his opinions on LGBTQ issues with your child</i>	83
33	Table EDCH6b_3: <i>Of the following, which have you observed or experienced relating to your child's high school in the past month? A teacher has shared her/his opinions on race with your child</i>	85
34	Table EDCH6b_4: <i>Of the following, which have you observed or experienced relating to your child's high school in the past month? A teacher has shared her/his opinions on religion with your child</i>	87
35	Table EDCH6b_5: <i>Of the following, which have you observed or experienced relating to your child's high school in the past month? A teacher has shared her/his opinions on masking with your child</i>	89
36	Table EDCH6b_6: <i>Of the following, which have you observed or experienced relating to your child's high school in the past month? A teacher has shared her/his opinions on vaccinations with your child</i>	91
37	Table EDCH6b_7: <i>Of the following, which have you observed or experienced relating to your child's high school in the past month? School or district communications sharing political opinions</i>	93
38	Table EDCH6b_8: <i>Of the following, which have you observed or experienced relating to your child's high school in the past month? School or district communications sharing opinions on LGBTQ issues</i>	95
39	Table EDCH6b_9: <i>Of the following, which have you observed or experienced relating to your child's high school in the past month? School or district communications sharing opinions on race</i>	97
40	Table EDCH6b_10: <i>Of the following, which have you observed or experienced relating to your child's high school in the past month? School or district communications sharing opinions on religion</i>	99
41	Table EDCH6b_11: <i>Of the following, which have you observed or experienced relating to your child's high school in the past month? School or district communications sharing opinions masking</i>	101

42	Table EDCH6b_12: <i>Of the following, which have you observed or experienced relating to your child's high school in the past month? School or district communications sharing opinions on vaccinations</i>	103
43	Table EDCH7_1: <i>How much do you agree or disagree with each of the following statements as it relates to the high school your child attends? My child's school treats all students equally regardless of their race or background</i>	105
44	Table EDCH7_2: <i>How much do you agree or disagree with each of the following statements as it relates to the high school your child attends? My child's school encourages all students to take challenging classes regardless of race or background</i>	107
45	Table EDCH7_3: <i>How much do you agree or disagree with each of the following statements as it relates to the high school your child attends? My child's school emphasizes showing respect for all students' cultural beliefs and practices</i>	109
46	Table EDCH7_4: <i>How much do you agree or disagree with each of the following statements as it relates to the high school your child attends? My child's school provides good support for students who need accommodations for learning (e.g. special education programs)</i>	111
47	Table EDCH8: <i>As a result of the pandemic, do you believe grading at your child's school has become easier/more lenient or harder/more challenging (e.g., that grades given now are lower or higher than they would have been before the pandemic)?</i>	113
48	Table EDCH9_1NET: <i>What skills do you view as most important for your child to learn before graduating high school? Please select up to 3. Teamwork</i>	115
49	Table EDCH9_2NET: <i>What skills do you view as most important for your child to learn before graduating high school? Please select up to 3. Self-confidence</i>	117
50	Table EDCH9_3NET: <i>What skills do you view as most important for your child to learn before graduating high school? Please select up to 3. Critical thinking</i>	119
51	Table EDCH9_4NET: <i>What skills do you view as most important for your child to learn before graduating high school? Please select up to 3. Technology skills</i>	121
52	Table EDCH9_5NET: <i>What skills do you view as most important for your child to learn before graduating high school? Please select up to 3. Leadership</i>	123
53	Table EDCH9_6NET: <i>What skills do you view as most important for your child to learn before graduating high school? Please select up to 3. Communication</i>	125
54	Table EDCH9_7NET: <i>What skills do you view as most important for your child to learn before graduating high school? Please select up to 3. Creativity</i>	127
55	Table EDCH9_8NET: <i>What skills do you view as most important for your child to learn before graduating high school? Please select up to 3. Listening</i>	129
56	Table EDCH9_9NET: <i>What skills do you view as most important for your child to learn before graduating high school? Please select up to 3. Time management</i>	131

57	Table EDCH9_10NET: What skills do you view as most important for your child to learn before graduating high school? Please select up to 3. Study habits	133
58	Table EDCH9_11NET: What skills do you view as most important for your child to learn before graduating high school? Please select up to 3. Organizational skills	135
59	Table EDCH9_12NET: What skills do you view as most important for your child to learn before graduating high school? Please select up to 3. Problem-solving	137
60	Table EDCH9_13NET: What skills do you view as most important for your child to learn before graduating high school? Please select up to 3. Coping skills	139
61	Table EDCH9_14NET: What skills do you view as most important for your child to learn before graduating high school? Please select up to 3. Empathy	141
62	Table EDCH9_15NET: What skills do you view as most important for your child to learn before graduating high school? Please select up to 3. Other:	143
63	Table EDCH10_1NET: What subject areas do you view as most important for your child to learn before graduating high school? Please select up to 3. Business (ex: Accounting, Finance, Marketing, etc.)	145
64	Table EDCH10_2NET: What subject areas do you view as most important for your child to learn before graduating high school? Please select up to 3. Computer science/Information technology (ex: Programming, Web design, etc.)	147
65	Table EDCH10_3NET: What subject areas do you view as most important for your child to learn before graduating high school? Please select up to 3. English (Written and oral communication, Creative writing, etc.)	149
66	Table EDCH10_4NET: What subject areas do you view as most important for your child to learn before graduating high school? Please select up to 3. Foreign language (Spanish, German, Chinese, etc.)	151
67	Table EDCH10_5NET: What subject areas do you view as most important for your child to learn before graduating high school? Please select up to 3. Math (Algebra, Geometry, Calculus, etc.)	153
68	Table EDCH10_6NET: What subject areas do you view as most important for your child to learn before graduating high school? Please select up to 3. Performing arts (Choir, Band, Theatre, etc.)	155
69	Table EDCH10_7NET: What subject areas do you view as most important for your child to learn before graduating high school? Please select up to 3. Physical education (Health, Weight training, Swimming, etc.)	157
70	Table EDCH10_8NET: What subject areas do you view as most important for your child to learn before graduating high school? Please select up to 3. Science (Biology, Chemistry, Physics, etc.)	159

71	Table EDCH10_9NET: What subject areas do you view as most important for your child to learn before graduating high school? Please select up to 3. Social studies (US history, World history, Economics, etc.)	161
72	Table EDCH10_10NET: What subject areas do you view as most important for your child to learn before graduating high school? Please select up to 3. Visual arts (Ceramics, Drawing, Photography, etc.)	163
73	Table EDCH10_11NET: What subject areas do you view as most important for your child to learn before graduating high school? Please select up to 3. Vocational education (Robotics, Trades, Cosmetology, etc.)	165
74	Table EDCH10_12NET: What subject areas do you view as most important for your child to learn before graduating high school? Please select up to 3. Other:	167
75	Table EDCH11_1: Thinking back on the last two years during the pandemic, how useful would each of the following have been to support your child's high school education? Extracurricular programs and activities	169
76	Table EDCH11_2: Thinking back on the last two years during the pandemic, how useful would each of the following have been to support your child's high school education? Internships or apprenticeships	171
77	Table EDCH11_3: Thinking back on the last two years during the pandemic, how useful would each of the following have been to support your child's high school education? Mentoring – in person or online	173
78	Table EDCH11_4: Thinking back on the last two years during the pandemic, how useful would each of the following have been to support your child's high school education? Option to attend a different school – private school	175
79	Table EDCH11_5: Thinking back on the last two years during the pandemic, how useful would each of the following have been to support your child's high school education? Option to attend a different school – public school	177
80	Table EDCH11_6: Thinking back on the last two years during the pandemic, how useful would each of the following have been to support your child's high school education? Option to take online courses outside of your school	179
81	Table EDCH11_7: Thinking back on the last two years during the pandemic, how useful would each of the following have been to support your child's high school education? Student resources (computers, books, etc.)	181
82	Table EDCH11_8: Thinking back on the last two years during the pandemic, how useful would each of the following have been to support your child's high school education? Transportation to/from school	183
83	Table EDCH11_9: Thinking back on the last two years during the pandemic, how useful would each of the following have been to support your child's high school education? Tutoring – in person or online	185

84	Table EDCH12_1: Right now, how useful would each of the following be to support your child's high school education? Extracurricular programs and activities	187
85	Table EDCH12_2: Right now, how useful would each of the following be to support your child's high school education? Internships or apprenticeships	189
86	Table EDCH12_3: Right now, how useful would each of the following be to support your child's high school education? Mentoring – in person or online	191
87	Table EDCH12_4: Right now, how useful would each of the following be to support your child's high school education? Option to attend a different school – private school	193
88	Table EDCH12_5: Right now, how useful would each of the following be to support your child's high school education? Option to attend a different school – public school	195
89	Table EDCH12_6: Right now, how useful would each of the following be to support your child's high school education? Option to take online courses outside of your school	197
90	Table EDCH12_7: Right now, how useful would each of the following be to support your child's high school education? Student resources (computers, books, etc.)	199
91	Table EDCH12_8: Right now, how useful would each of the following be to support your child's high school education? Transportation to/from school	201
92	Table EDCH12_9: Right now, how useful would each of the following be to support your child's high school education? Tutoring – in person or online	203
93	Table EDCH13: Have your child's post-high school plans changed as a result of the pandemic?	205
94	Table EDCH14a: How do you feel about your child's current plans changing as a result of the pandemic?	207
95	Table EDCH14b: How do you feel about your child's plans staying the same despite the pandemic?	209
96	Table EDCH16: How prepared do you believe your child is for life after high school?	211
97	Table EDCH17a_4: When thinking about your child's future, please select which of two words that best describes how you feel right now? &	213
98	Table EDCH17b_4: When thinking about your child's future, please select which of two words that best describes how you feel right now? &	215
99	Table EDCH17c_4: When thinking about your child's future, please select which of two words that best describes how you feel right now? &	217
100	Table EDCH17d_4: When thinking about your child's future, please select which of two words that best describes how you feel right now? &	219
101	Table EDCH17e_4: When thinking about your child's future, please select which of two words that best describes how you feel right now? &	221

102	Table EDCH17f_4: When thinking about your child's future, please select which of two words that best describes how you feel right now? &	223
103	Table EDCH17g_4: When thinking about your child's future, please select which of two words that best describes how you feel right now? &	225
104	Table EDCH18: During the last two years of the pandemic, have your views changed about your child attending college?	227
105	Table EDCH19: How important do you feel it is for your child to attend college?	229
106	Table EDCH20: And how important do you feel it is for your child to attend college right after high school – instead of taking time off or going directly into the workforce?	231
107	Table EDCH21_1: Many schools have various requirements that a student must submit as part of the college application process. In your opinion, do you believe the following should be part of the college application process? Standardized test scores (ACT, SAT, etc.)	233
108	Table EDCH21_2: Many schools have various requirements that a student must submit as part of the college application process. In your opinion, do you believe the following should be part of the college application process? High school GPA	235
109	Table EDCH21_3: Many schools have various requirements that a student must submit as part of the college application process. In your opinion, do you believe the following should be part of the college application process? Letter of recommendation	237
110	Table EDCH21_4: Many schools have various requirements that a student must submit as part of the college application process. In your opinion, do you believe the following should be part of the college application process? Essay	239
111	Table EDCH21_5: Many schools have various requirements that a student must submit as part of the college application process. In your opinion, do you believe the following should be part of the college application process? Interview directly with the college/university	241
112	Table EDCH22_1NET: From what sources do you primarily get your information about current events? Select up to three. Friends/peers	243
113	Table EDCH22_2NET: From what sources do you primarily get your information about current events? Select up to three. Family members	245
114	Table EDCH22_3NET: From what sources do you primarily get your information about current events? Select up to three. TV news /newspapers/news sites/radio	247
115	Table EDCH22_4NET: From what sources do you primarily get your information about current events? Select up to three. Podcasts	249
116	Table EDCH22_5NET: From what sources do you primarily get your information about current events? Select up to three. Social media platforms (TikTok, Instagram, Snapchat, etc.) . .	251
117	Table EDCH22_6NET: From what sources do you primarily get your information about current events? Select up to three. Teachers	253

118	Table EDCH22_7NET: <i>From what sources do you primarily get your information about current events? Select up to three. Other</i>	255
119	Table EDCH23_1NET: <i>Right now, which of these public policy issues are most important to you? Please select three. Improving the way the political system works in our country</i>	257
120	Table EDCH23_2NET: <i>Right now, which of these public policy issues are most important to you? Please select three. Addressing issues around race</i>	259
121	Table EDCH23_3NET: <i>Right now, which of these public policy issues are most important to you? Please select three. Dealing with drug addiction issues</i>	261
122	Table EDCH23_4NET: <i>Right now, which of these public policy issues are most important to you? Please select three. Dealing with global climate change</i>	263
123	Table EDCH23_5NET: <i>Right now, which of these public policy issues are most important to you? Please select three. Strengthening the nation's economy</i>	265
